Barrow Department of Neurology

Helpful Information About Your Provider Visit

Barrow Neurological Institute

1. **Please bring the following items to your appointment:**
   - Photo ID
   - Insurance Card
   - Co-Payment (if any)
   - Current medication list
   - Any records/results requested for your appointment

2. **Arrival Instructions**
   Please plan to arrive 30 minutes prior to the appointment to allow time for parking and completing paperwork.

3. **Parking**
   Park in the 3rd Avenue Parking Garage. Take parking garage elevators to the 2nd floor, exit through the doors to the right and immediately turn left and follow the long hallway to the 240 building elevators around the corner. Use the elevators to access the correct floor for your services. Be sure to bring your parking ticket with you for validation in the clinic.

4. **Obtaining Insurance Prior Authorization and Referrals**
   Many insurance plans require a mandatory prior authorization before a specialist can be seen. Please check with your insurance company to see if this is required on your plan before you come for your appointment. Your provider's office will have a staff member who handles prior authorizations and will be able to answer any of your questions. Authorization must be received prior to your scheduled appointment. Failure to receive prior authorization/ referral may result in the need to reschedule your appointment to a later date. Please contact your insurance company for more information.

5. **Telephone Communications**
   Calls to (602) 406-6262 are answered Monday through Friday. Our team is equipped to handle general questions and can direct calls, as appropriate. Additionally, our answering service is here to assist you after hours and on weekends or holidays. If necessary, the on-call provider can be contacted through the answering service. For a life-threatening medical emergency, please call 9-1-1 immediately to activate your local Emergency Medical Service.

6. **Written Communications**
   Please do not fax any time-sensitive communication or urgent medical advice questions to the office.

7. **Electronic Communications**
   Barrow Neurological Institute participates in an electronic patient portal which allows continuous access to your patient information including, but not limited to, upcoming appointments, prior visit summaries, lab and imaging results. Additionally, the portal allows patients to securely communicate with providers directly. Our staff can provide you with an email invitation to set up your portal. Please discuss the procedure for secure electronic communications with your individual doctor or medical assistant.

8. **Appointment Reminder**
   You will receive an automated message via text, email and/or telephone call to remind you of your appointments. Please listen to the message and select one of the following message options:
   - Confirmation of your appointment
   - Cancellation of your appointment and reschedule request
   - General clinic information including address and hours of operation
   - Request to not receive future appointment reminders

   If you do not wish to receive an appointment reminder, please contact the front office staff.

9. **Cancellation of Scheduled Appointments**
   In the event you need to cancel and reschedule an appointment, we ask that you kindly notify us as soon as possible and not later than 24 hours prior to the appointment. We can reschedule you in a timely manner and offer the open slot to another patient. If you are late for your appointment, you

may have to be rescheduled. Multiple cancellations with less than 24 hours notice or failure to show will impact our ability to care for you.

10. Test Ordering and Results

Your provider may order diagnostic tests as part of your evaluation and care. Some insurance companies require prior authorization and approval before your test can be scheduled. Your provider will submit orders for these tests and the staff within our clinic will send required documentation to obtain authorization from your insurance company prior to scheduling any test(s).

11. Medical Records

We are unable to share your medical records without a signed release from you. If you need a copy of your medical records from Barrow Neurological Institute, you will need to sign an authorization request. Select records are also available via the patient portal.

You may also pick up a hard copy of your medical records. Note that a fee for this service may be incurred. If you require copies of your medical records, please contact us at (602) 406-8988.

Upon receiving your signed request, a copy of your records will be mailed within two (2) weeks. Please ask our office staff if you have any questions.

In order for us to obtain records from other physician offices, additional forms may need to be completed and signed.

If you need records from a Dignity Health hospital—including lab tests or radiology results—please call the hospital directly and ask to be connected to the Health Information Department.

12. Billing Inquiries

Fees for services are due and payable at the time of your visit, including co-payments, co-insurance and deductibles. Patients are responsible for any services deemed "not-covered" by your plans. If you have questions about a bill you received that was generated from our office and doctor's visit or procedure performed here, please contact Patient Billing Services directly at (602) 406-3860 or toll free at (877) 877-8311, or email PBSCustomerService@DignityHealth.org.

13. Prompt Pay Discount

If you don't have insurance, you have an option to pay cash at the day of your appointment for a reduced fee. This program is called the Prompt Pay Discount. For more information on this program and to see if you qualify, please contact our office.

14. Patient Satisfaction Survey

We strive to provide an exceptional patient experience. One to four weeks after your visit, please expect to receive a survey via email or mail inquiring about your visit.Your response is confidential and we appreciate your feedback. If there is anything we can do to ensure your experience is exceptional, please share with our staff prior to the end of your visit.

If you have any questions, please speak with your provider or one of our staff members.

We look forward to joining your care team!

CDC STEADI Fall Risk Self-Screening Tool

We are concerned about our patient's safety while visiting our Dignity Health facility, and want to ensure that we provide the highest level of care.

Please complete the following questions so that the health care provider may better serve you.

Yes	No	
☐(2)	☐	I have fallen in the past year.
☐(2)	☐	I use or have been advised to use a cane or walker to get around safely.
☐(2)	☐	Sometimes I feel unsteady when I am standing or walking.
☐(1)	☐	I steady myself by holding onto furniture when walking at home.
☐(1)	☐	I am worried about falling.
☐(1)	☐	I need to push with my hands to stand up from a chair.
☐(1)	☐	I have some trouble stepping up onto a curb.
☐(1)	☐	I often have to rush to the toilet.
☐(1)	☐	I have lost some feeling in my feet.
☐(1)	☐	I take medicine that sometimes makes me feel light-headed or more tired than usual.
☐(1)	☐	I take medicine to help me sleep or improve my mood.
☐(1)	☐	I often feel sad or depressed.

This checklist was developed by the Greater Los Angeles VA Geriatric Research Education Clinical Center and affiliates and is a validated fall risk self-assessment tool {Rubenstein et al. J Safety Res; 2011:42(6)493-499).

Patient Label

Dignity Health Staff Follow Up

For Dignity Health Staff Use Only

☐ Patient is at high risk for falls (Score > 4 or "Yes" to any highlighted key question)
☐ Patient determined high fall risk by healthcare provider discretion

Fall Prevention/Interventions - check all appropriate answers:

Identification

☐ Patient given yellow wristband to wear

Patient Assistance to/from exam room/treatment room or restroom

☐ Patient should be escorted with walker
☐ Patient should be escorted with wheelchair
☐ Patient can be escorted under own power (staff walks alongside patient)

Patient Assistance within exam room/treatment room/area

☐ Provide assistance whenever patient is moved from sitting/supine to a standing position and vice versa.
☐ Check Recommended Equipment:
- Gait Belt
- Other _____

☐ Ensure patient is never left unattended or without direct observation in the exam/treatment room while lying on exam or treatment table.
☐ If a footboard is utilized for any exam (imaging areas), the technologist will verify that the footboard is secure and locked on the table prior to setting the patient upright.
☐ In the event the patient is undergoing a procedure or treatment for an extended period of time, the patient will be taken off the table and seated in a chair with arms.
☐ Family/friends at exam/treatment table whenever possible

Education

☐ Patient instructed that a staff member should be present each time they walk
☐ Patient and/or family provided with CDC STEADI "Check for Safety Brochure" (all patients)
☐ While on the exam or treatment table, patients will be instructed not to move without assistance from the outpatient department/clinic staff

Important Information

Read and initial for each section

_____ **COVID-19 AND ILLNESS SCREENING:** Temperature and symptom screenings will be performed for each patient and visitor upon entry at the clinic. If you are experiencing any symptoms, please contact our office at (602) 406-6262 prior to your visit to determine if your visit should be rescheduled to a later date when you are symptom free.

_____ **VISITOR RESTRICTIONS:** In response to various periods of high infection, we may have restrictions and/or limitations on visitors on the campus. In general, it is best to limit visitors to only one adult.

_____ **CANCELLATIONS, LATE PATIENTS, AND NO SHOWS:** Our goal at Barrow Otolaryngology Clinic is to maximize the time your provider spends with you and minimize your wait time. In order to do so, we have a standardized policy for no shows, cancellations, and late arrivals. Cancellations related to illness do not apply to this policy.

- **Cancellation:** We require 24 hour notice of cancellation for any appointments.
- **Late:** You will be considered late if you arrive 15 minutes after scheduled appointment time.
- **No Show:** If you do not arrive for a scheduled appointment and do not provide the office notice at least 24 hours prior to your appointment, you will be considered a no show.
  - No show #1 - Documented
  - No show #2 - Warning letter mailed out to patient
  - No show #3 - Discharged from office

_____ **FAMILY AND FRIENDS:** You have the option to list up to three (3) individuals that you give permission to know about appointment dates, times, and/or billing information. These individuals may NOT give consent for any in office procedures, immunizations, etc.

_____ **MEDICATION REFILLS:** Please contact your preferred pharmacy to request medication refills. Once the request has been received, refills will be completed within three (3) business days.

_____ **PATIENT PORTAL:** Barrow Neurological Institute participates in an electronic patient portal which allows continuous access to your patient information including, but not limited to, upcoming appointments, prior visit summaries, lab and imaging results. Additionally, the portal allows patients to securely communicate with providers directly. Our staff can provide you with an email invitation to set up your portal.

_____ **FINANCIAL RESPONSIBILITY:** This may include co-payments, co-insurance and services not covered or paid by your insurance carrier. This financial responsibility also applies if your insurance carrier is not

Barrow Neurological Institute

PATIENT NAME: _____

MRN: _____

DOB: _____

contracted with Dignity Health. **It is your responsibility to ensure that all services rendered by Barrow Neurological Institute on your behalf are paid in full within thirty (30) days of the statement date.**

We do not change billing codes once they have been submitted to your insurance company.

It is important that you bring proof of insurance each time you visit the clinic. Failure to do so may result in billing issues for your care. Please make every effort to let us know if your insurance carrier (primary or secondary insurance) or your personal information (home address, employer, and phone number) has changed since your last visit.

_____ **TELECOM AGREEMENT:** You agree that by signing below you consent and request that Dignity Health, its affiliates, and those acting on its/their behalf, may call or text you using an automated telephone dialing system and/or a prerecorded message. The types of calls or texts you may receive include those concerning the patient's care, scheduling, reminders, prescriptions, advertisements or telemarketing messages concerning our benefits and services. Calls can be made to any number you provide or we obtain even if listed on a national or state Do Not Call registry. You understand that consent is not a condition of care.

By supplying my home phone number, mobile phone number, email address, and any other personal contact information, I authorize my health care provider to employ a third-party automated outreach and messaging system to use my personal information, the name of my care provider, the time and place of my scheduled appointment(s), and other limited information, for the purpose of notifying me of a pending appointment, a missed appointment, overdue wellness exam, balances due, lab results, or any other healthcare related function. I also authorize my healthcare provider to disclose to third parties, who may intercept these messages, limited protected health information (PHI) regarding my healthcare events. I consent to receiving multiple messages per day from my healthcare provider, when necessary. I consent to allowing detailed messages being left on my voice mail, answering system, or with another individual, if I am unavailable at the number provided by me.

_____ **HEALTH INFORMATION EXCHANGE (HIE) STATE PARTICIPATION ACKNOWLEDGEMENT:** I acknowledge receipt and have read and understand the Notice of Health Information Practices regarding Barrow Neurological Institute's participation in The Network, the statewide Health Information Exchange (HIE), or I previously received this information and decline another copy. (see pages 11-13)

I have read and understood the above.

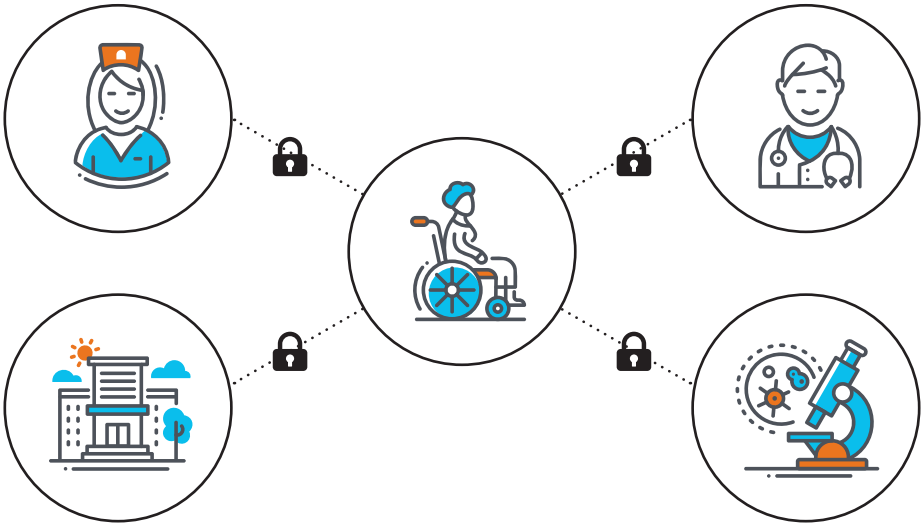
Secure Sharing of Your Health Information

Barrow Neurological Institute

What You Need to Know

Doctors and hospitals can give you better healthcare by sharing your health information electronically. This is very important in emergencies. This sharing is done electronically through Health Current, Arizona's health information exchange (HIE).



Many doctors' offices and hospitals are switching from paper medical records to electronic medical records. During your most recent doctor's visit, you may have noticed your doctor using a laptop or tablet to type in your health information. Now that your health information is stored safely in a computer, it can be shared more easily among your doctors' offices, hospitals, labs, and radiology centers. Your health information is shared securely through the HIE.

Secure sharing of your health information has many benefits:

- Better treatment in an emergency because your doctors will have information about your allergies and your previous problems.
- Prevention of errors and harmful drug interactions.
- Lower overall costs of healthcare by avoiding duplicate tests, procedures and prescriptions.

For details about how your health information will be shared and how it will be protected, please read the Notice of Health Information Practices you received at your doctor's office.

NOTE: If you do not want your health information shared through HIE, please ask your provider for an Opt Out Form. For more information, visit www.healthcurrent.org and click on the Patient Rights button.

Patient History Questionnaire

Name: _____ Date:_____

What is your goal for this appointment?

Please fill out the following questions regarding your **headaches or facial pain**.

***For simplicity, the term headache will be used throughout even for facial pain**

When did you FIRST develop **any** headache or facial pain? _____

How many days per month are you **100% free** of headache (include pressure): ____/30

How many days per month are your headache **disabling**? ____/30

Daily baseline pain between attacks: ____/10 (Write 0 if no pain between attacks)
Rate your severe attacks: ____/10 → How long do they last:_____

Describe your pain (select all that apply): ☐ Throb/pulsating ☐ pressure/tight/squeeze
☐ sharp/stabbing ☐ burning/electric ☐ Other:_____

Pain location: ☐ Forehead ☐ Temples ☐ Eyes ☐ Back of head ☐ Neck ☐ Face ☐ Jaw
Side of Pain: ☐ Both sides ☐ Right ☐ Left

Do you have any of the following:
☐ Nausea ☐ Vomit ☐ Light sensitive ☐ Noise sensitive ☐ Smell sensitive ☐ Tender scalp

☐ Red eyes ☐ Droopy / swollen eyelid ☐ Flushed face ☐ Sweaty face ☐ Eye tearing
☐ Runny / Stuff nose ☐ Unequal pupil size ☐ Plugged ear ☐ Pacing/Restless

☐ Momentary vision loss with standing ☐ Ear ringing ☐ Muffled hearing ☐ Double vision
Do you have a **SHUNT**? ☐ No ☐ Yes → Type & Setting:_____ Surgeon:_____

Do you have episodes lasting 5 minutes to 1 hour with symptoms like:
☐ Vision changes (example: zigzags, sparkles, colored spots, kaleidoscope pattern, vision loss)
☐ Numbness or tingling in any of face, hands/arms, feet/legs
☐ Loss of speech or inability to understand someone's else's speech
☐ Other:_____

Triggers: ☐ Foods ☐ Light/noise/smells ☐ Periods ☐ Exercise ☐ Stress ☐ Weather
☐ Pain is **better** when lying flat. ☐ Pain is **worse** when lying flat ☐ Cough/Sneeze/Straining

Family history of headache: ☐ No ☐ Yes → Who:_____

Barrow Neurological Institute – Jan and Tom Lewis Migraine Program

Patient History Questionnaire

Hours of sleep:_____ Do you snore? ☐ Yes ☐ No

Do you eat: ☐ Breakfast? ☐ Lunch? ☐ Dinner?

How much water do you drink daily:_____ How much caffeine do you drink daily:_____

How often do you exercise:_____

Hormonal treatment (include birth control or HRT)? ☐ No ☐ Yes → What:_____

Are you planning to get **pregnant** within the next 6 months: ☐ Yes ☐ No ☐ Pregnant now

Which headache **prevention treatments** (eg daily/monthly) have you tried previously?

☐ Botox	☐ Amitriptyline	☐ Propranolol	☐ Diamox (acetazolamide)	☐ Cannabis
☐ Aimovig	☐ Nortriptyline	☐ Metoprolol	☐ Lamotrigine	☐ TENS
☐ Emgality	☐ Topiramate	☐ Nadolol	☐ Tegretol (carbamazepine)	☐ PT
☐ Ajovy	☐ Divalproex	☐ Atenolol	☐ Trileptal (oxcarbazepine)	☐ Massage
☐ Vyepti	☐ Gabapentin	☐ Timolol	☐ Flexeril (cyclobenzaprine)	☐ Chiropractor
☐ Atogepant	☐ Lyrica (pregabalin)	☐ Verapamil	☐ Robaxin (methocarbamol)	☐ Melatonin
☐ Nerve blocks	☐ Memantine	☐ Lisinopril	☐ Tizanidine (Zanaflex)	☐ Magnesium
☐ Trigger point	☐ Cyproheptadine	☐ Cefaly	☐ Baclofen	☐ Vitamin B2
☐ SPG block	☐ Candesartan	☐ gammaCore	☐ Effexor (venlafaxine)	☐ Co Q10
☐ RFA (neck)	☐ Zonisamide	☐ sTMS	☐ Cymbalta (Duloxetine)	☐ Butterbur

Which headache **rescue treatments** have you tried previously?

☐ Imitrex (sumatriptan)	☐ Reyvow	☐ Compazine (prochlorperazine)	☐ Ketamine IV
☐ Amerge (naratriptan)	☐ Ubrelvy	☐ Reglan (metoclopramide)	☐ Lidocaine IV
☐ Axert (Almotriptan)	☐ Nurtec	☐ Phenergan (prochlorperazine)	☐ Benadryl
☐ Frova (Frovatriptan)	☐ Ibuprofen	☐ Zofran (Ondansetron)	☐ Hydroxyzine (Vistaril)
☐ Maxalt (Rizatriptan)	☐ Acetaminophen	☐ Fioricet/Fiorinal/Butalbital	☐ Steroids
☐ Relpax (eletriptan)	☐ Naproxen	☐ Midrin	☐ Topical:
☐ Zomig (Zolmitriptan)	☐ Aspirin	☐ Opioids/Tramadol/etc	☐ Biofeedback
☐ Treximet	☐ Diclofenac (Cambia)	☐ Suboxone (Buprenorphine)	☐ CBT
☐ Migranal (DHE nasal)	☐ Indomethacin	☐ Methadone	☐ Relaxation
☐ DHE IV or injection	☐ Toradol (Ketorolac)	☐ Nerivio	☐ Mindfulness/meditation

How many times did you go to the ER or Urgent care for headache over the past 12mo:_____

Do you have: ☐ Dizzy ☐ Fainting ☐ Constipation ☐ Diarrhea ☐ Reflux ☐ Bloating
☐ Flushing ☐ Raynaud's ☐ Brain fog ☐ Dry eyes/mouth ☐ Gastroparesis ☐ Back pain
☐ POTS ☐ MCAS ☐ Ehlers Danlos ☐ CSF/ME ☐ Severe fatigue with activity

History of head injury / concussion / whiplash? ☐ No ☐ Yes → Dates:_____

History of: ☐ Stroke / TIA ☐ Heart attack ☐ Blood clot (eg DVT or PE)

History of: ☐ Depression ☐ Anxiety ☐ PTSD ☐ Bipolar ☐ Other: _____

Barrow Neurological Institute – Jan and Tom Lewis Migraine Program
