

Thursday, Sept. 17, 2026

Noon-7 p.m.

222 West Thomas Road,
Suite 401
Phoenix, AZ 85013

Open House RSVP Here

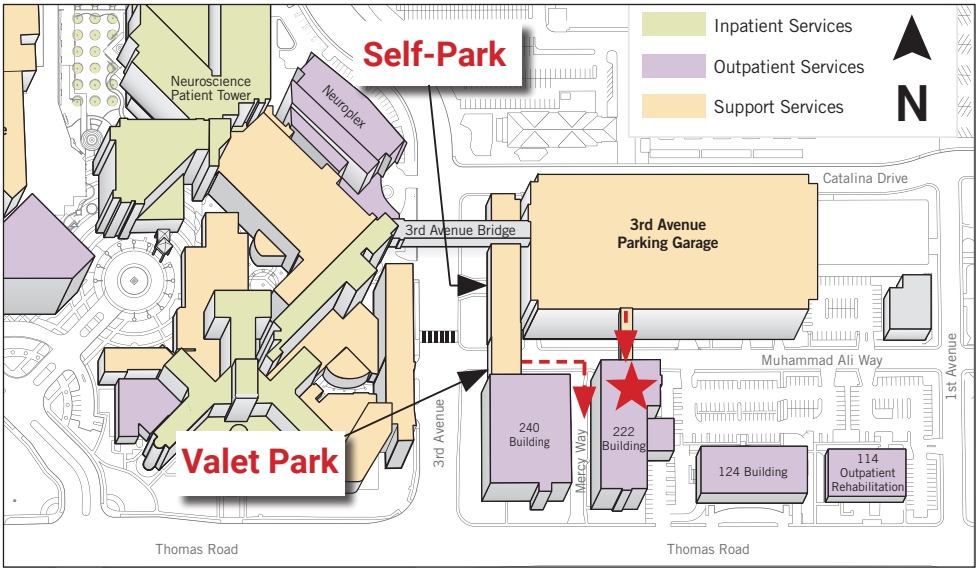

40th Anniversary
OPEN HOUSE
Center for Transitional Neuro-Rehabilitation

On September 17, 2026, the Center for Transitional Neuro-Rehabilitation (CTN), formerly known as the Adult Day Hospital for Neurological Rehabilitation (ADHNR), will celebrate its 40-year Anniversary Open House. This event is open to all internal and external providers, community partners, current and past patients, and their families/support network.

All past patients and families/support network will be invited to visit CTN anytime during the open house and take part in a research study that **involves both patients AND families/support network**. We would like to extend the offer to you to visit the CTN and/or to participate in our research study on this date. Participation in the research study is optional for all patients and their family/support network.

Please reach out by email CTN@CommonSpirit.org or by phone (602) 406-3473 if you have any questions.

If you would like to take the survey online prior to the event, please follow this link: ***CTN 40 year study***

Parking

Park in the Third Avenue Parking Garage. From the third level of the garage, you can use the foot bridge to cross over to the 222 building. Use the elevators inside the 222 building to access the fourth floor.
