To schedule an appointment, please ask your primary care physician or other specialist to fax a referral to (602) 406-7182.

## Location

Barrow Neurological Institute is located in the heart of Phoenix, at Third Avenue and Thomas Road.

The Barrow Adult Cleft & Craniofacial Team provides coordinated, ongoing care to patients 18 and older with complex craniofacial needs. If you have relocated to the Phoenix area or need to re-establish specialty care for another reason, the Barrow Cleft and Craniofacial Center is here to help.

## The Barrow Difference

The Cleft and Craniofacial Center at Barrow Neurological Institute has decades-long history of providing comprehensive care for individuals with cleft and craniofacial conditions—from infants to adults. The experts in our world-class center work together as a team to evaluate and treat each patient's specific needs. Our team includes fellowship-trained providers with experience in both congenital and acquired craniofacial disorders.
