

The Muhammad Ali Parkinson Center provides support groups across the Phoenix Metro area to assist individuals and their carepartners find peer support and resources to manage the challenges of living with Parkinson's disease. Support Groups are offered in-person (see back page) and virtually. If you or someone you know could benefit from a Parkinson's support group, contact the support group leaders listed below to find the right group for you.

## **We provide the following groups:**

- General patient support group
- Newly diagnosed support group for individuals diagnosed within the past three years
- Newly diagnosed support group for Carepartners of an individual diagnosed within the past three years
- General caregiver support groups
- Young Onset for those with Parkinson's disease diagnosed before the age of 50

Please contact individual support group leaders for information on meeting times and locations.
