

Presenter:

Francisco Ponce, MD
Neurosurgeon

Muhammad Ali Parkinson Center

A Parkinson's Foundation Center of Excellence

New Treatment for Tremor-Dominant Parkinson's and Essential Tremor

Please join Francisco Ponce, director of stereotactic and functional neurosurgery at Barrow Neurological Institute, as he discusses MRI-guided focused ultrasound that is now being offered in Arizona only at Barrow. Dr. Ponce will break down and explain this incisionless, outpatient treatment option for hand tremors in patients with essential tremor and tremor-dominant Parkinson's disease.

Friday, Aug. 25, 2023

Noon - 1 p.m. (Arizona time)

Virtual
