

# Barrow Neuroplex Neuro Infusion Center

Thank you for choosing the Neuro Infusion Center at Barrow Neurological Institute. Our caring and capable team of nurses and center coordinators are here to provide you with the best care possible in a calming and relaxing environment. We will work together with your physician to coordinate your treatment, answer questions, and help with your concerns.

## Neuro Infusion Center Services

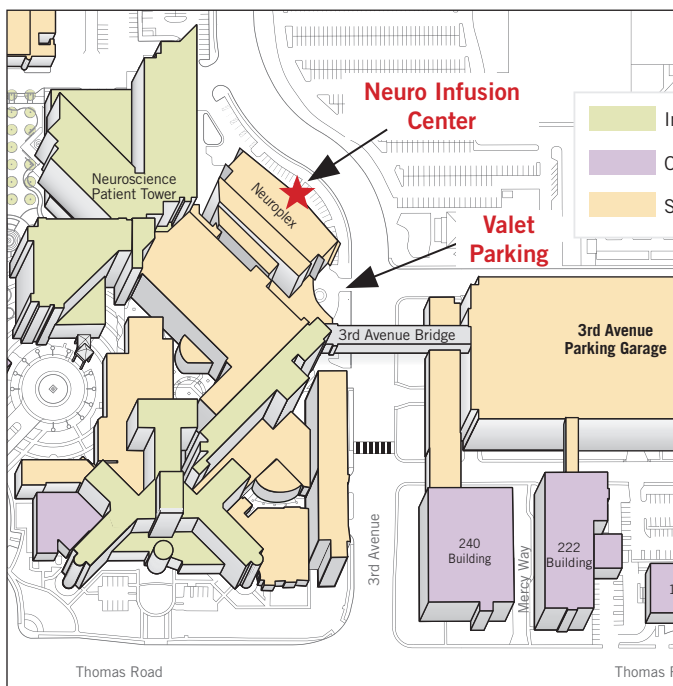

- Pre-medications
- Chemotherapy
- Biologic response injections
- Multiple Sclerosis therapies and relapse therapies
- Migraine/Headache therapies
- Neuro Endocrine testing
- Research protocols
- Immunoglobulin therapies

## Arriving for Your First Appointment

Please bring your insurance card, photo ID, current list of medication (prescribed and over the counter). Upon check in an infusion nurse will give you a brief tour and bring you to an infusion bay. We will work with you to make sure you are as comfortable as possible. The length of your appointment depends on the type of medication, and amount you are receiving. Your nurse can provide a specific time frame upon arrival of appointment. A nurse will do a short assessment and provide any pre-medications prescribed by your physician and your nurse will begin administering your IV medication.

## Amenities

- Private wide reclining chairs with a television and additional seating for a family member or caregiver
- Heated blankets, drinks and snacks
- WiFi
