DISCLAIMER

This information on websites is designed for educational purposes only and is not meant to provide medical advice or professional services. St Joseph's Hospital and Medical Center/Barrow Neurological institute does not endorse any of the products, and services listed here. The information that you receive is for increasing awareness to services and products that are out there and are available to persons with disabilities. Other individuals and/or organizations maintain these sites. Again this list of websites is an educational and informative resource. Hopefully by increasing your awareness to services and products this will empower you, or will help you to educate persons with disabilities to resources out there.

Updated December 2018

We would like to thank Susan Scott, COTA/L, for the original compilation of this resource. We appreciate her dedication to her work, and mostly to her patients. Without her this would not have been possible.

Our Resources

The Barrow Website – Stroke Center

<https://www.barrowneuro.org/get-to-know-barrow/centers-programs/stroke-program/>

For non-urgent stroke questions, call (602) 406-7777 (800) BARROW1 (227-7691)

Barrow Neurological Institute – Rehabilitation Services

1. Neuro Rehabilitation Center:

<https://www.barrowneuro.org/get-to-know-barrow/centers-programs/neurorehabilitation-center/stroke-rehabilitation/>

2. Inpatient and Outpatient Services:

<https://www.barrowneuro.org/get-to-know-barrow/centers-programs/inpatient-and-outpatient-services/>

3. Center for Transitional Neuro-Rehabilitation

<https://www.barrowneuro.org/get-to-know-barrow/centers-programs/center-for-transitional-neurorehabilitation/>

Barrow Neurological Institute: The Barrow Connection

<https://www.barrowneuro.org/patients-families/find-a-support-group/the-barrow-connection/>

(602) 406-6280

The Barrow Connection provides peer mentoring and recreation activities for those with neurological disabilities.

2017 Community Recreation and Resource Guide

https://www.barrowneuro.org/assets/ResourceGuide2017_RevText.pdf

This guide is produced by the Recreation Therapy Department and the Barrow Connection to give resources in the community.

St. Joseph's Hospital and Medical Center Stroke Support Group

<https://www.barrowneuro.org/outreach/stroke-support-group/>

(602) 406-6688

Contact: Ashley Bridwell

Offers both stroke survivor and caregiver support groups.

National Organizations

American Stroke Association / American Heart Association

www.strokeassociation.org

(888) 4-STROKE (888) 478-7653

The American Stroke Association is dedicated to prevention, diagnosis and treatment to save lives from stroke — America's No. 4 killer and a leading cause of serious disability. They fund scientific research, help people better understand and avoid stroke, encourage government support, guide healthcare professionals and provide information to enhance the quality of life for stroke survivors.

National Stroke Association

www.stroke.org

(800) STROKES (800) 787-6537

National Stroke Association's mission is to reduce the incidence and impact of stroke by developing compelling education and programs focused on prevention, treatment, rehabilitation and support for all impacted by stroke.

Administration for Community Living – United States Department of Health and Human Services

<https://www.acl.gov>

1-800-USA-LEARN (1-800-872-5327)

Funds many grants across the board related to disability and serves as the Federal agency responsible for increasing access to community supports, while focusing attention and resources on the unique needs of older Americans and people with disabilities across the lifespan.

Center Watch

<http://www.centerwatch.com/>

(866) 219-3440 (617) 948-5100

Center Watch is committed to providing patients and their advocates information on clinical trials, specific drugs, as well as other essential health and educational resources.

ClinicalTrials.gov

<https://www.clinicaltrials.gov/>

ClinicalTrials.gov is a registry of federally and privately supported clinical trials conducted in the United States and around the world.

Internet Stroke Center

www.strokecenter.org

(214) 648-3111

This has resources for both professionals and consumers on stroke. They strive to advance the understanding of stroke research and clinical care. Information is also available in Spanish.

National Aphasia Association

www.aphasia.org

(800) 922-4622 email: naa@aphasia.org

Site provides information and resources on communication impairments.

National Council on Disability

www.ncd.gov

(202) 272-2004 (Voice), (202) 272-2074 (TTY)

This is an independent federal agency making recommendations to the President and Congress on issues affecting Americans with disabilities.

National Council on Independent Living

www.ncil.org

Voice: (202) 207-0334, toll free: (877) 525-3400, TTY: (202) 207-0340

The site provides information and resource on independent living services.

National Institute of Neurologic Disorders and Stroke (NINDS)

<http://www.ninds.nih.gov/disorders/stroke/stroke.htm>

(800) 352-9424 or (301) 496-5751

The mission of NINDS is to reduce the burden of neurological disease - a burden borne by every age group, by every segment of society, by people all over the world.

Rehabilitation Engineering and Assistive Technology Society of North America

www.resna.org

(703) 524-6686

This site offers useful information on assistive technology and universal design. They conduct conferences and certification programs for individuals interested in assistive technology.

Social Security Administration – Office of Public Inquiries

<https://www.usa.gov/federal-agencies/office-of-public-inquiries>

(800) 772-12213 (800) 3250778 (TTY)

This site of the Social Security Administration provides contact information on retirement, survivors and disability benefits, as well as administers Supplemental Security Income (SSI) payments.

Stroke Family

www.strokefamily.org

Family assisted speech and stroke recovery.

Stroke Network

www.strokenetwork.org

Provides on-line support information for stroke survivors and caregivers. Also provides information and resources such as their Stroke Caregiver Handbook.

Ticket to Work Program – Social Security Administration

www.ssa.gov/work

(866) 968-7842 (866) 833-2967 (TTY)

This site is a federally funded program to assist individuals who want to return to work.

United States Department of Justice – Americans with Disabilities Act

<http://www.ada.gov/>

This site has information and technical assistance on the Americans with Disabilities Act.

Arizona Organizations and Associations

Ability 360

<http://ability360.org/>

(602) 254-6407

This site is the Center for Independent living in Phoenix with many programs from peer mentoring, advocacy, independent living skills, home modifications, outreach and more.

Area Agency on Aging – Region One

<http://aaaphx.org/>

www.ilusa.com

This site has developed a directory of resources for independent living. It serves as a vehicle for individuals with disabilities to develop online businesses and web related opportunities.

Job Accommodation Network

janweb.icdi.wvu.edu/

(800) 526-7234 (877) 781-9403 (TTY)

Free consulting service that provides information about job accommodations

National Rehabilitation Information Center (NARIC)

www.naric.com

(800) 346-2742 (Voice) (301) 459-5984 (TTY)

NARIC has 70,000 plus resources. Also available, Rehab Wire, a monthly newsletter packed with information on rehab.

Housing/Universal Design

Access Board

www.access-board.gov

Phone (voice): (202) 272-0080, toll free: (800) 872-2253

Phone (TTY): (202) 272-0082, toll free: (800) 993-2822

Federal agency committed to accessible design standards.

ADA Guidelines for Accessible Design

<http://www.ada.gov/regs2010/2010ADASTandards/2010ADASTandards.htm>

Center for Inclusive Design and Environmental Access

<http://idea.ap.buffalo.edu/>

(716) 829-5902

This site has information and resources on universal design. Also provides on-line courses.

Disability World

www.disabilityworld.com

This site has online disability news and views, also available in Spanish.

Fair Housing Advocate

www.fairhousing.com

Provides information related to fair housing guidelines for housing for people with disabilities.

Home Mods

www.homemods.org

(213) 740-1364

This site provides information and resources on home modifications and supportive housing, geared for seniors.

Housing and Urban Development

www.hud.gov

(800) 225-5342

Provides information on different programs available to buy and/or rent homes and apartments in your area.

The National Resource Center on Supportive Housing and Home Modifications

<https://www.homemods.org/directory/nrcshhm/index.htm>

(213) 740-1364

This website contains information on increasing public awareness of the Centers fervent involvement in promoting aging in place. Also has internet-based certification program on home modifications.

Trace Center at University Of Wisconsin-Madison

www.trace.wisc.edu

(608) 262-6966 TTY: (608) 263-5408

Center for universal design, provides information on consumer products, web design and housing and other resources.

Winglts

<https://www.winglts.com/>

(877) 894-6448

Fastening systems for grab bars exceeds ADA requirements. Winglts can hold 400 -500 lbs. Also have other products to view on line including grab bars and bathroom safety equipment

Wheelchair Ramps

ADA Ramp Guidelines – Section 405

<http://www.ada.gov/regs2010/2010ADASTandards/2010ADASTandards.htm#pgfld-1006877>

How to Build a Wheelchair Ramp – Lowe's

<http://www.lowes.com/projects/build-and-remodel/build-a-wheelchair-ramp/project>

Assistive Technology

Abledata

www.abledata.com

Phone: (800) 227-0216 TTY: (703) 992-8313.

This site provides information on its website about assistive technology, assistive technology products, and rehabilitation equipment available from domestic and international sources.

Arizona Technology Access Program (AzTAP)

<http://www.azatdemoloanprogram.org/>

(602) 728-9534

TTY: (602) 728-9536

Toll Free: (800) 477-9921

Increase access to assistive technology devices and services for individuals with disabilities and their families.

New Feature "classified ads" feature that connects people with available assistive technology (AT)! www.azatexchange.org/home.php

Assistive Tech.Net

<http://assistivetech.net>

(404) 894-4960 (voice /TTY)

This site provides increased access to information on assistive technology devices and services as well as other community resources for people with disabilities and the general public.

Bungalow Software

bungalowsoftware.com

(540) 951-0623

Software to assist with language and cognitive skills, related to stroke, TBI and other neurological problems.

Nuance

<https://www.nuance.com>

(800) 654-1187

This is the website for the Dragon Naturally Speaking software products.

Savant Systems

<http://www.savant.com>

(508) 683-2500

This is a home environment control system company

Smart Homes

<https://shop.smarthings.com>

(800) 762-7846

This site has many gadgets for the home.

Southwest Human Development - Assistive Technology Resource Center

www.swhd.org

(602) 266-5976

This site has information and resources about assistive technology. The center provides evaluations, training and other AT links.

Adapted Vehicles and Modifications

Access Unlimited

www.accessunlimited.com

(800) 849-2143

This site has many links, articles, sports information, vehicle modification and more.

The Boulevard

www.blvd.com

(877) 833-2480

Directory of transportation products and services for physically challenged, elderly, caregivers and health professionals.

Leeden Wheelchair Lift and Sport

<http://leedenwheelchairliftandsport.com/sports-products/2119481>

(480) 966-2372

Information and services for vehicle accessibility modifications, wheelchair repair and sports products.

National Highway Traffic Safety Administration (NHTSA)

<https://www.nhtsa.gov/road-safety/adapted-vehicles>

(888) 327-4263

TTY (800) 424-9153

This site has information and resources for disabled drivers and passengers. They have a publications on adapting motor vehicles for people with disabilities.

National Mobility Equipment Dealers Association

<http://www.nmeda.com/>

(866) 948-8341

(813) 264-2697

This site has resources on expanding opportunities with people with disabilities to safely drive or be transported in vehicles modified with mobility equipment to fit their specific needs and improve transportation options for people with disabilities.

VMI – Vantage Mobility International

<https://www.vantagemobility.com/>

(855) VMI-VANS

Phoenix Office (602) 385-5999

Provide reliable, easy to use mobility solutions that transforms the lives of their customers.

Return to Driving – Adapted Driving

Banner Health System

<https://www.bannerhealth.com/services/academic-medicine/banner-university-medicine-institutes/banner-university-medicine-rehabilitation-institute/outpatient-therapies-center>

(602) 839-2316

Adaptive driving program for people with disabilities who want to return to driving.

<https://ablethrive.com/parenting/parents-disabilities>

A One-stop platform for people with disabilities and their families to access curated and customized resources from around the world.

Disabled Parenting Project

<http://www.disabledparenting.com>

An online community full of parenting ideas for parents and prospective parents with disabilities. In addition, DPP offers a comprehensive resource for adaptive parenting products.

Through the Looking Glass

www.lookingglass.org

Phone: (800) 644-2666 (510) 848-1112 TTY: (510) 848-1005

Provides links to other sites, supportive services, training and research to improving services to families where one individual has a disability.

Adapting to Stroke – Stroke Support Groups

St. Joseph's Hospital and Medical Center

<https://www.barrowneuro.org/outreach/stroke-support-group/>

(602) 406-6688

Contact: Ashley Bridwell

Offers both stroke survivor and caregiver support groups.

American Stroke Association

<http://www.strokeassociation.org/STROKEORG/strokegroup/public/zipFinder.jsp>

This site has a stroke group locator tool. Please call to ensure the group that you are looking up is still active.

The Brain Injury Association of Arizona – BIAAZ

<http://biaaz.org/coping-with-brain-injury/support-groups>

(602) 508-8285

Look under “BIAAZ Funded Support Groups” on the home page and there is a PDF you can download for Maricopa and Pima Counties.

Joe Niekro Foundation

<http://www.joeniekrofoundation.com/>

(602) 318-1013

Contact is Natalie Niekro at nniekro@joeniekrofoundation.org

This is a site dedicated to those survivors who have suffered and aneurysm. Their goal is to raise awareness about aneurysm factors, causes, treatments and research

We're MOVING FORWARD!

<http://wmforward.org>

We're MOVING FORWARD! is a small 501 (c) (3) non-profit organization founded by three women whose own lives were dramatically impacted along with that of a family member who sustained a traumatic brain injury. This is a group of survivors and family members in similar circumstances who began seeking out more ways to interact with others outside of a “support group” environment.

Apps and Games to Help Recovery

St. Joseph's Hospital and Medical Center

<https://www.barrowneuro.org/get-to-know-barrow/centers-programs/neurorehabilitation-center/neuro-rehab-apps-and-games/>

This flyer includes activities that have therapeutic value, to aid in your recovery. These lists have been compiled by therapists at the Barrow Neurological Institute, and are categorized by level of difficulty. Many of these activities allow you to increase the level of complexity as well. Playing these activities is not a substitute for therapy, but can be a fun way to work on important skills. Work with your therapist to decide which apps are best for you.
