

## Third Annual Brain and Heart Symposium Cocktail Reception

The organizing committee of the third annual Arizona Brain and Heart Symposium cordially invites you to a one-of-a-kind reception, featuring award-winning Guzheng soloist Julia Zhuang.

The Guzheng is a traditional Chinese string instrument with a more than 2,500-year history. Ms. Zhuang has given hundreds of performances in both China and the United States, earning a “best performance” award from the Asia International Arts Festival. She is also passionate about teaching aspiring Guzheng musicians and has received an “outstanding educator” award from the China Nationalities Orchestra Society.
